

Online Resource List

Here is just a few of the tools that I use in my business. Each month at SocialMediaWoman.com and VideoMarketingCampus.com

- [Animoto](#) – great for intro/outro and personal branding
- [Pinnacle](#) – PC video editing tool
- Video players
 - With your own hosting or Amazon S3 - [Easy Video Player](#)
 - With paid hosting [Easy Web Videos](#)
- [Oovoo.com](#) for international online video interviewing
- [Stock Photos](#)
- [Royalty Free Music](#)
- [Twitter & YouTube Branding](#)
- [One True Media](#) – another free video tool
- [Vimeo](#) – video hosting
- [Tubemogul](#) – video distribution
- [Powerpoint to video converter](#)
- [Video backgrounds](#)
- Creative things to do with your [photos](#)
- Online [video editor](#)
- Another [online editing package](#)
- My preferred [social media twitter tool](#)
- [Screen capture for twitter](#) – this is cool!
- Free [teleprompter](#)
